GETFUNDED, on behalf of Plumas Elementary School District, is requesting a waiver for a last date to invoice extension request for FRN 2658178. GETFUNDED did not author the 2014 application, and the school sought out our services in mid-June 2016. We are asking that the last date to invoice be extended so the BEAR can be filed and the school can get their much deserved funding. Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

**Tanya Murad**
